

WEEKLY REPORT TO THE CITY COUNCIL

August 24, 2023

Members of the City Council
City of Tacoma, Washington

Dear Mayor and Council Members:

ITEMS OF INTEREST

1. Community Service Officer (CSO) Program Update: The Tacoma Police Department (TPD) continues to work through a high number of applications for our Community Service Officer (CSO) positions. **The City Council's initiative to focus on heightened community policing and additional non-emergency response remains aligned with the department's deployment of CSO's by Spring of 2024.** The department has made noteworthy progress within all foundational elements of the CSO program.

- **Policy and Procedures**: Established robust handbook and standard operating procedures for TPD CSO's.
- **Logistical Readiness**: Vehicle and equipment procurements have begun, with final outfit for CSO vehicles to be fully ready by the end of Fall (2023)
- **Training**: The CSO Training program has been finalized, with additional curriculum to be completed within the next 30 days for the CSO Academy.

Recruitment endeavors by TPD have been incredibly successful. The CSO position was advertised on June 15th, and we have closed the recruitment as of August 11th. We have received 187 total applications as of closing, with **184 applicants meeting minimum qualifications**. The department will work towards backgrounds and testing of applicants through the end of November (2023), with initial hiring and processing to be completed by the end of year. **The TPD CSO academy is slated to be conducted in January (2024), with field training to start soon after. The current schedule will allow the department to be ready to serve Tacoma next Spring.**

2. Police Chief Avery Moore provides the attached **Weekly Crime Report**.
3. Please see the attached City of Tacoma **Weekly Meeting Schedule**.
4. Encampment Outreach: The City's Homeless Engagement and Alternatives Liaison (HEAL) Team (formerly the Homeless Outreach Team) performs encampment outreach throughout the week to provide individuals opportunities to connect to shelter, behavioral health, substance use, and employment services.

For the week of August 14 - 18, 2023, staff visited nineteen locations. This resulted in sixty - five individuals being contacted and referred to community services and three individuals accepting shelter.

5. City-funded Temporary and Emergency Shelter Performance: The City posts weekly information about its Temporary and Emergency Shelter locations including current census, number of available beds, and exits to housing. This information can be found at: https://www.cityoftacoma.org/UserFiles/Servers/Server_6/File/cms/NCS/City%20Authorized%20Emergency%20Shelter%20Sites/Weeklydataupdate.pdf and is updated weekly.
6. Aspen Court Transition: **Aspen Court (8620 South Hosmer)**, operated by Low Income Housing Institute (LIHI), began the process of transitioning from shelter to permanent supportive housing August 1, 2023. LIHI is working with the current residents to transition out of the Aspen Court and into permanent housing or other temporary solutions by December 31, 2023.

The shelter currently has 92 residents who are working on transition, no additional residents have transitioned since the last report. LIHI has increased case management during this period and will bring in additional supportive services to help with the transition. Neighborhood and Community Services is meeting with LIHI weekly to assess operational needs and will continue to support LIHI during this transition.

7. Inclement Weather Update: For the 2023 summer inclement weather season for heat and smoke, Neighborhood and Community Services has partnered with the Tacoma Libraries, outreach teams (contracted and non-contracted), and volunteers to ensure that unsheltered individuals have access to water, masks, information about cooling centers, and sheltering throughout the City.

The thresholds for activations:

- **85 degrees or higher and/or Air Quality over 101, we supply both unsheltered and sheltered individuals with water and masks depending on need.**
- **For 90 degrees or higher and/or Air Quality over 151, we continue to supply resources, open cooling, and air quality centers for daytime relief and/or possible nighttime relief from smoke.**

During this past week's heat event, bottled water was available at the Stability Site to be picked up by outreach providers and volunteers. Catholic Community Services and Nativity House opened for daytime heat relief 7:00 a.m. – 5:00 p.m., every day and provided additional capacity for overnight shelter. **More information on inclement weather response is available at https://www.cityoftacoma.org/inclement_weather.**

Sector 4 Weekly Briefing for 14 August 2023 to 20 August 2023

The data is not National Incident Based Reporting System (NIBRS) compliant. Do not compare the results with any report using that standard. The data is dynamic and is subject to change and/or revision. The number of distinct offenses listed on a report are counted. This does not represent reports or individuals. All data is compared to last year for the same number of days or date range. Small numbers may cause large percent increases and decreases. Beginning 1 October 2022, there was a change in how TPD reports certain Aggravated Assaults and Destruction offenses.
