

Internal Services

November 1, 2022

1

Agenda

- What are Internal Services?
- Financial Overview
- Issues & Considerations
- 2023-2024 Strategy and Major Initiatives

2

2

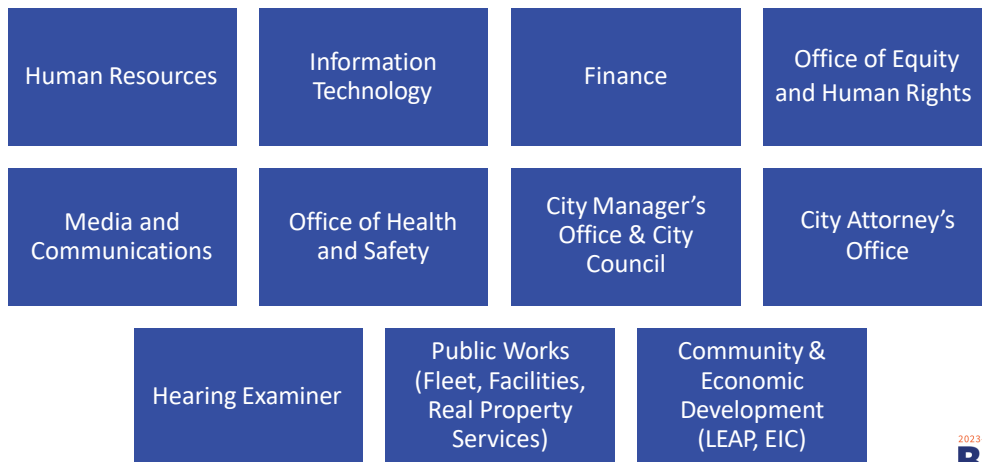

Internal Services

- An Internal Service is a business function that supports City operations.
- Internal Services can improve operational effectiveness through consistency, reliability, and cost efficiency of common business functions and contribute to building a positive and consistent organizational culture across the organization.

Ongoing Considerations

- Building and growing an organizational culture of equity, inclusion and belonging
- Ensuring consistency and equity of processes across diverse departments
- Hiring and retaining specialized professional staff
- Managing historically high volume of change across business processes
- Coordinating inconsistent reporting structures and policy authority across Internal Services
- Services are authorized by many means (Charter, Resolution, Budget, Administrative Decision)

10

People Safety & Health

Goals

- Reduce Employee Injuries!
- Increase Safety Resources for supervisors so they have the tools to achieve safety initiatives and to effectively improve employee safety.
- Deliver data driven safety communication that reflects real time issues that impact employees.
- Continue to build upon the growing library of quality, engaging and inspiring Safety trainings.

Initiatives

- Build a strategic and structured incident review program
- Develop a city-wide Safety committee
- Update supervisor Safety resources
- Continually improve the Safety Training Matrix
- Safety Stand Down
