GENERAL INFORMATION ABOUT STREET VACATIONS

FILING FEE

A fee of \$500 is required for all vacation requests. (TMC 9.22.020.A)

The fee must be paid after Real Property Services reviews the petition, identifies and verifies the right of way vacated and the abutting ownership. If staff recognizes a potential problem that may prevent approval, we will consult other agencies for opinions prior to accepting the filing fee.

Once the fee is paid, it is not refundable, except under very limited circumstances deemed to be in the best interest of the City.

The purpose of the fee is to partially defray the normal administrative, engineering and legal expenses in processing the petition for vacation. (TMC 9.22.020.B)

OTHER COSTS

Washington State law states that if the street or alley has been part of a dedicated public right of way for twenty-five years or less, the City may be compensated at one-half of the appraised value of the area to be vacated. (RCW 35.79.030 and TMC 9.22.010) Under the Tacoma Municipal Code, if the subject right of way, or portions thereof, has been in the inventory for more than 25 years, the City requires the owners of the abutting property to compensate the City in an amount not to exceed the full-appraised value of the area to be vacated. Following the first reading of the ordinance before the City Council, Real Property Services will send a notice to the Petitioner stating the amount to be paid. This must be paid within ninety days (90) of the date of the notice. (TMC 9.22.090)

One-half of the revenue received shall be devoted to the acquisition, improvement and maintenance of public open space land within the City of Tacoma, and one-half may be devoted to transportation projects and the management and maintenance of other City-owned lands and unimproved right of way. In the case of vacations of right of way in the tide flats area, defined as easterly of the Thea Foss Waterway (inclusive of the Murray Morgan Bridge), northerly of State Route 509 and westerly of Marine View Drive, the total of the revenue received hereunder shall be devoted to transportation projects in the tide flats area. (TMC 9.22.010)

Real Property Services staff usually determines the value of the property to be vacated based on Pierce County Assessor records and comparables. However, if it is determined that a fee appraisal is necessary, the Petitioner(s) will be required to submit payment for the appraisal prior to the appraisal assignment being completed. The City will solicit bids from three qualified appraisers and the City reserves the right to select the appraiser for the assignment. (TMC 9.22.090)

Vacation of an alley or street may require removal and/or replacement of sidewalks, street returns, curbs and gutters. The Petitioner(s) must pay the cost of the removal(s).

CONDITIONS

Advice will be solicited from various agencies with an interest in the right of way (Tacoma Water, Tacoma Power, Sewer Utility, Comcast, Qwest Communications, etc.). (TMC 9.22.030) Conditions of approval may include replacement of sidewalks, curbs and gutters, or use restrictions. Also, certain agencies may retain easements for construction, maintenance and repair of public utilities and services. No permanent structures may be built over these easements. (RCW 35.79.030 and TMC 9.22.080)

In addition, the Hearing Examiner will consider the following criteria when making his/her decision: (TMC 9.22.070)

1. Will the vacation provide a public benefit and/or will it be for a public purpose?

2. Will the right of way vacation adversely affect the traffic pattern of the immediate area or the community as a whole?
3. Will the greater public good be adversely affected by this vacation?
4. Will the right of way be needed for future public use?
5. Will any abutting owner become landlocked or will access be substantially impaired if this vacation is granted (there must be alternative ingress and egress even if less convenient)?
6. Will the vacation of the right of way be in violation of RCW 35.79.035 (limitation of vacation abutting bodies of water)?

THE APPROVAL PROCESS

1. After the initial review by the Public Works Review Panel, Real Property Services will request a hearing date and time from the Hearing Examiner's office.
2. Real Property Services staff will prepare maps, check and certify the description of all properties involved, and make a field check of the property. (TMC 9.22.030)
3. The City Clerk will be requested to prepare a resolution for submission to City Council to set the time and date of a public hearing. This resolution must be adopted no more than sixty (60) days prior to the public hearing. (RCW 35.79.010 and TMC 9.22.050)
4. The City Clerk will notify all abutting property owners and other "interested parties." The Public Works Real Property Services Section will post a notice on the property to be vacated and the City Clerk will advertise notice in the newspaper. This must occur at least thirty (30) days prior to the hearing. (TMC 9.22.060)
5. City staff will prepare a preliminary report for the Hearing Examiner. All interested parties will receive a copy of this report at least one week prior to the hearing date. (TMC 9.22.030 and 1.23.090)
6. Vacation petition hearings are held on Tuesdays at 9:00 a.m. and 1:30 p.m. The Petitioner(s) or their representative **must** be at the hearing. The Examiner's findings, conclusions and recommendations will be submitted to the City Council. (RCW 35.79.030 and TMC 9.22.070)
7. The Hearing Examiner will mail his/her report to all parties concerned, as well as those attending the hearing. (TMC 1.23.050) Any motion for reconsideration must be filed in writing within fourteen (14) days of the issuance of the report. (TMC 1.23.140) The Hearing Examiner's recommendations may be appealed to the City Council within fourteen (14) days of entering the recommendation. (TMC 1.23.1.50 and 1.70)
8. The City Attorney will prepare an ordinance and set a day for first reading before the City Council. (TMC 9.22.080)
9. Real Property Services will send a notice to the Petitioner(s) stating the appraised value and the amount the Petitioner(s) must pay along with other conditions which must be met. (TMC 9.22.090)
10. All conditions must be met within sixty (60) days following the first reading of the ordinance, except when "good cause" is shown for the delay. (TMC 9.22.090)
11. All amounts billed must be deposited with the City Treasurer within ninety (90) days of the date of the notice. (TMC 9.22.090)
12. After payment has been received and all conditions of the vacation have been met, the City Attorney will prepare the ordinance for final reading before the City Council. (TMC 9.22.090)
13. City Council will hear final reading of the ordinance and, if the Council grants the petition, the vacation ordinance will be recorded in the Pierce County Auditor's Office. (RCW 35.79.030)
