

Equity in Contracting Advisory Committee Member

LARRY HUTCHINSON

- Graduated SF State in Civil Engineering. Interned for the Joint Venture Turner/Trans-Bay on City of Oakland's City Center Project in the 80's.
- Began Construction in 1979 for one of the largest Minority owned Contractors on the West Coast, Trans-Bay Engineers and Builders. As a college intern I worked as a Compliance officer of the City of Oakland's (California) Affirmative Action Program. I participated in the program for 7 years.
- I worked for the Minority Contractor's Association of Northern California for the next following 2 years.
- At Turner Seattle as Project Engineer for Seattle Cancer Care Alliance, led Disadvantaged Business outreach for the Special Projects Division.
- As Project Manager for Lease Crutcher Lewis at Mount Tahoma High School, led Minority hiring for labor and small businesses.
- As Construction Manager for Point Ruston Development combined efforts to hold Seminars about the Ruston development at the Incubator and on site at Ruston for Small Business and Disadvantaged Business participation.
- I was previously a General Contractor and Washington State DBE.
- I currently work as a Consultant to Contractors, providing Estimating, Scheduling and Cost Control Support.
