

Equity in Contracting Advisory Committee Member
Vice Chair

MICHAEL JORDAN

Self-motivated DEAI/business consultant with proven leadership experience creating value at the intersection of economics, racial justice, policy development, human centered design, operations, and business development.

Recognized for expertise in Diversity Equity Access and Inclusion policy assessment, strategy development, and connecting and building trust with diverse communities.

Michael sits on several boards and committees focused on Racial justice and DEAI efforts and impact, including; The Pierce County Community Engagement Task Force, The Tacoma Pierce County Black Collective, the Two Way Racial Healing Project, the City of Tacoma's Equity in Contracting Advisory Committee, and The American Leadership Forum fellow.

Michael helps businesses create environments that support the "Solidarity Dividend." His work and projects center around and the impact of systemic design on outcomes of disparity when developing/assessing company policy and DEAI programs.
