

WEEKLY REPORT TO THE CITY COUNCIL

February 27, 2025

Members of the City Council
City of Tacoma, Washington

Dear Mayor and Council Members:

ACTION REQUIRED

1. This is a reminder to complete your financial affairs disclosure (F-1) Statement and Disclosure of Remote Interest form and provide confirmation to the City Clerk's Office, **by Tuesday, April 15, 2025. More information can be found at: [Who Files the Report | Washington State Public Disclosure Commission \(PDC\)](#).**

ITEMS OF INTEREST

2. **Mayor Woodards** provides the attached **Council Action Memorandum** for an Ordinance relating to funding of transportation improvements; establishing expenditure targets and reporting requirements for revenues derived from Proposition 1.
3. **Council Member Hines** provides the attached **Council Action Memorandum** for a Resolution declaring the inclusion of community members over the age of 65 on the City's committees, boards, and commissions.
4. **Shiloh Baptist Church Men's Shelter Standdown:** The single men's shelter (1211 South I Street), operated by Shiloh Baptist Church (Shiloh) and Valeo Vocation (Valeo), is **currently preparing to standdown**. Valeo will continue to work with the current residents on their stability and housing plans and anticipates all residents will transition into permanent housing or other temporary solutions by **March 31, 2025**. After this date, Shiloh will continue to focus on providing housing services with their New Life housing program. Since opening in September 2021, the shelter has served 317 individuals, with 21 of the clients have confirmed being connected to permanent housing.

On February 24, 2025, there were 21 residents at the site and six residents are currently working with case management. Neighborhood and Community Services meets with Shiloh and Valeo weekly to assess operational needs and will continue to support the shelter during this transition. **The City is committed to ensuring that every resident has the option to transition to the new location or has an alternative shelter location should they wish by or before March 31, 2025.**

5. **Encampment Outreach: For the week of February 17 - 21, 2025, the Dashboard states that we only visited 16 locations.** Though our internal survey system states that the HEAL Team contacted **34 individuals (20 new and 14 repeats)** and referred them to community services, **three individuals** were placed in shelter. This information can be found at: [HEAL Team Engagement Dashboard | Tacoma Open Data](#)
6. City Manager's Office Constituent Relations Analyst Karyssa Mathison provides the attached **Constituent Intake Report**.
7. Acting Tacoma Police Chief Frank Krause provides the attached **Weekly Crime Report**.
8. City Manager's Office Management Fellow Anna Le provides the attached **January 2025 Neighborhood Council Liaison Report**.
9. The Planning Commission has approved the public release of the draft **One Tacoma Comprehensive Plan update and scheduled a public hearing on March 5, 2025, at 6:00 p.m.** Community members are invited to participate in a series of informational meetings before the public hearing to learn about updates on the draft One Tacoma Comprehensive Plan's progress and **encourage community feedback during the public comment period from now until March 7, 2025.** The Planning Commission will use the input received to finalize its recommendations to the City Council for final review and adoption. Promotion of the event series and public hearing is happening now through mailed notices, social media, and web updates.
10. Public Works Director Ramiro Chavez provides the attached **January 2025 Vision Zero crash report**.
11. **City-funded Temporary and Emergency Shelter Performance: The City posts weekly updates and information about its Temporary and Emergency Shelter locations including current census, number of available beds, and exits to housing.** Updates are reported weekly, and this information can be found at: https://cityoftacoma.org/UserFiles/Servers/Server_6/File/NCS/weeklydataupdate.pdf.
12. Please see the attached City of Tacoma **Weekly Meeting Schedule**.

STUDY SESSION / WORK SESSION

13. **The City Council Study Session of Tuesday, March 4, 2025, will be conducted as a hybrid meeting.** This meeting can be attended in-person at the Tacoma Municipal Building, Council Chambers, located at 747 Market Street on the 1st floor or be heard by dialing (253) 215 – 8782 or through Zoom at: www.zoom.us/j/89496171192 and entering the meeting ID 894 9617 1192; passcode 89659 when prompted. This meeting will be broadcast on TV Tacoma and Facebook.

The discussion items will include: (1) **ShotSpotter**; (2) **2025 Federal Legislative Agenda**; (3) **Other Items of Interest: Council Action Memorandum - An Ordinance Relating to Funding of Transportation Improvements; Establishing Expenditure Targets and Reporting Requirements for Revenues Derived From Proposition 1 and Council Consideration Request – A Resolution Declaring Support for Good, Quality Jobs in Tacoma and Prioritizing Good, Quality Jobs in Workforce Development**; (4) **Committee Reports**; (5) **Agenda Review and City Manager’s Weekly Report**; (6) **Executive Session – Potential Litigation**.

On our first agenda item, staff from the Tacoma Police Department and consultants from ShotSpotter will provide the Mayor and Council an **update on the City’s ShotSpotter program**.

On our second agenda item, staff from the City Manager’s Office and Tacoma Public Utilities will provide an overview of the **City’s 2025 Federal Legislative agenda**.

Under other of interest, the following items will be discussed:

- **Council Action Memorandum:** An Ordinance Relating to Funding of Transportation Improvements; Establishing Expenditure Targets and Reporting Requirements for Revenues Derived From Proposition 1 (Funding Transportation Improvements) and the 0.10% Sales and Use Tax Imposed by the Transportation Benefit District.
[Mayor Woodards]
- **Council Consideration Request:** A Resolution Declaring Support for Good, Quality Jobs in Tacoma and Prioritizing Good, Quality Jobs in Workforce Development.
[Mayor Woodards]

14. The updated **Tentative City Council Forecast and Consolidated Standing Committee Calendar** are attached for your information.

MARK YOUR CALENDARS

15. There are no new events at this time.

Sincerely,
Elizabeth Pauli

City Manager

City of Tacoma

City Council Action Memorandum

TO: Elizabeth Pauli, City Manager
FROM: Mayor Victoria Woodards and Chief Policy Analyst Bucoda Warren
COPY: City Council and City Clerk
SUBJECT: An Ordinance relating to funding of transportation improvements; establishing expenditure targets and reporting requirements for revenues derived from Proposition 1 (Funding Transportation Improvements) and the 0.10% Sales and Use Tax imposed by the Transportation Benefit District. - Requested for March 4, 2025.
DATE: February 26, 2025

SUMMARY AND PURPOSE:

An Ordinance relating to funding of transportation improvements; establishing expenditure targets and reporting requirements for revenues derived from Proposition 1 (Funding Transportation Improvements) and the 0.10% Sales and Use Tax imposed by the Transportation Benefit District.

COUNCIL SPONSORS:

Mayor Victoria Woodards, Deputy Mayor Daniels, and Council Members Walker

BACKGROUND:

At the Council Meeting on December 17, 2024 the Tacoma City Council the City adopted Resolution No. 41588 transmitting Proposition 1 to the Pierce County Auditor, to be placed on the April 22, 2025 Special Election Ballot, that would authorize an increase in the City of Tacoma property tax of \$0.25 per \$1,000 of assessed value for a maximum levy rate of \$1.95 for collection in 2026 and authorize an increase in gross earnings tax on certain utilities in the amount of 2 percent, for the sole purpose of funding street repair, maintenance, and safety improvements including pedestrian and bicycle improvements.

Previously the funding to be derived from Proposition 1 is supplemented by 0.10% sales and use tax, which was previously approved by the Transportation Benefit District (TBD) on December 3, 2024 pursuant to Resolution No. TBD 023 to replace and impose the 0.1% sales and use tax starting April 1, 2026, (TBD Sales and Use Tax).

If Proposition 1 is approved by the voters, the combination of revenues from Proposition 1 and revenues from the TBD Sales and Use Tax will provide a permanent funding source that will ensure long-term funding stability for essential transportation infrastructure projects and promote continuous enhancements and maintenance to the city's transportation network and public safety.

This legislation would do three things;

1. Establish targets for the expenditure of funds derived from Proposition 1 and the 0.10% Transportation Benefit District Sales and Use Tax over the initial fifteen years following passage of Proposition 1.
2. Direct Public Works to compile and submit a report to the City Council on an annual basis providing a comprehensive analysis of the progress toward the expenditure targets, measuring accomplishments against the stated target goals.
3. Include every five years an evaluation of progress toward the targeted expenditures in each category, including the percentage of expenditures in each target category, a forecast for future expenditures in each target category, and if expenditures exceed expenditure targets in any category an explanation regarding why the forecasts are exceeded and the plan for achieving balance over the initial 15-year forecast period and each successive 15-year forecast period. The City Council will review and evaluate progress toward the

expenditure targets and determine if adjustments are necessary to meet the expenditure targets over the initial 15-year forecast period and each successive 15-year forecast period.

The goal is to significantly improve Tacoma's transportation infrastructure over the designated performance period of 15 years to ensure the effective execution of the plan for long-term funding for essential transportation infrastructure projects.

The targets for expenditures will be as follows:

- Arterial Projects: 60% of funds directed toward the improvement of major roadways that facilitate high-volume traffic movement,
- Multimodal Enhancements: 26% designated for enhancing various transportation options, including pedestrian pathways, transit corridors, and bicycle-friendly infrastructure,
- Residential Maintenance: 11% focused on maintaining neighborhood streets and improving accessibility within residential areas, and
- Administrative Costs: 3% allocated to cover management expenses necessary for effective implementation and oversight of the initiative, excluding internal assessments.

The content of the annual report will be made publicly accessible promptly after its submission to the City Council and include at a minimum:

- An overview of completed and ongoing projects,
- Detailed revenue and expenditure breakdowns, illustrating the utilization of allocated funds, and
- Identification of any additional financial resources acquired through state and federal grants, as well as contributions from public and private partnerships.

Every 14 years, a new plan must be developed outlining the following:

- A 15-year revenue forecast
- Any proposed revenue reallocations for each target category
- New categories and allocations, if applicable
- Proposed projects for each target category
- Reasons for any incomplete projects from the previous 15 years, if applicable

COMMUNITY ENGAGEMENT/ CUSTOMER RESEARCH:

Sponsors have worked diligently to work with stakeholders and partners to establish targets and reporting to improve trust in the use of funds and build support for the Streets Initiative.

2025 STRATEGIC PRIORITIES:

Equity and Accessibility:

By sharing the targets and reporting the City will support building additional trust with the public that the City can deliver on its promises, and greater accountability that the funding they are collecting is getting out into the community, particularly those rated as Lower opportunity in the Tacoma Equity Index.

Civic Engagement: *Equity Index Score: Moderate Opportunity*

Increase the number of residents who participate civically through volunteering and voting.

Increase the percentage of residents who believe they are able to have a positive impact on the community and express trust in the public institutions in Tacoma.

Explain how your legislation will affect the selected indicator(s)?

providing additional transparency and accountability will help to build support for those who might vote for Proposition 1 and give those who have engaged with City Council to support this ordinance more trust that they can have an impact on their government.

ALTERNATIVES:

Alternative	Positive Impacts	Negative Impacts
1.Do not pass ordinance	NA	Targets and reporting will not be enshrined by ordinance.
2.Pass ordinance	Targets and reporting will be enshrined by ordinance and improves trust and accountability in the use of funds from prop 1.	Funding will require additional tracking and reporting.

EVALUATIONS AND FOLLOW UP:

If adopted Public Works staff will be reporting to the City Council on regular intervals to provide updates on the funding targets.

SPONSOR RECOMMENDATION:

We recommend the adoption of this ordinance establishing expenditure targets and reporting requirements for revenues derived from Proposition 1.

FISCAL IMPACT:

There is no direct fiscal impact to the City of Tacoma in adopting this ordinance, however there is an impact to staffing capacity to have increased tracking and reporting requirements.

What Funding is being used to support the expense?

N/A

Are the expenditures and revenues planned and budgeted in this biennium’s current budget?

N/A

Are there financial costs or other impacts of not implementing the legislation?

No

Will the legislation have an ongoing/recurring fiscal impact?

No

Will the legislation change the City’s FTE/personnel counts?

No

TO: Elizabeth Pauli, City Manager
FROM: Council Member John Hines and Council Policy Analyst Christina Caan
COPY: City Council and City Clerk
SUBJECT: Resolution – Declaring the inclusion of community members over the age of 65 on Tacoma’s committees, boards, and commissions a priority and directing the City Manager to inform the City Council quarterly of changes to senior representation – March 4, 2025
DATE: February 26, 2025

SUMMARY AND PURPOSE

A resolution declaring it a priority to include at least one community member over the age of 65 on each of Tacoma’s committees, boards, and commissions (CBC) when possible and directing the City Manager to keep the City Council informed on at least a quarterly basis about changes to senior representation on CBCs.

COUNCIL SPONSORS

Council Member John Hines, Council Member Joe Bushnell, Council Member Sarah Rumbaugh, and Council Member Sandesh Sadalge

Resolution Request: Tacoma is committed to being an inclusive city that seeks to provide a healthy, vibrant, and equitable future for all.¹ To help achieve this goal, we have invested a great deal in ensuring that our young people have a voice in shaping our city. Yet, as Tacoma’s aging population continues to expand, it is equally vital that our older community members also have a meaningful role in developing our policies and community investments.² By fostering greater engagement with those over the age of 65, we can make additional progress ensuring that our policies navigate challenges across the age spectrum and that Tacoma is a city for everyone.

Tacoma’s volunteer committees, boards, and commissions (CBCs) provide a unique opportunity for community members to impact our city’s future. Tacoma has more than a dozen CBCs that work on a wide range of topics, from urban design to human services.³ Each CBC is unique in its purpose, mission, and role, but all help gather information, provide advice and recommendations, and aid the City Council in its decision-making.⁴ While we have a designated Youth Commission, which is composed of middle or high school students and is responsible for bringing a youth-lens to city policies, we do not currently require our CBCs to have a designated seat for a community member over the age of 65. In fact, more than half of our current CBCs do not have a single senior member.

Not all seniors have the time, ability, or interest to serve in volunteer positions, but older community members often have a wealth of knowledge and professional experience that would add value to the discussions taking place in our CBCs. They also have unique needs and interests that younger CBC members may not be attuned to in our community. Seniors can also help ensure that the improvements we make for younger generations are sustainable and equitable across all life stages.

¹ [Tacoma 2025 - City of Tacoma](#); [One Tacoma: Comprehensive Plan - City of Tacoma](#); [Transportation Master Plan - City of Tacoma](#)

² [Tacoma Age Friendly Action Plan-v2Final.pdf](#); [An Introduction to the AARP Network of Age-Friendly States and Communities](#)

³ [Committees, Boards and Commissions - City of Tacoma](#)

⁴ [Committees, Boards & Commissions - Handbook](#)

The City Council is responsible for appointing all members of CBCs and this resolution would declare it a priority to include at least one community member who over the age of 65 years on each of Tacoma’s CBCs when possible. It would also direct the City Manager to keep the City Council informed about changes to the number of seniors on our CBCs. This will help ensure that City Council Members keep the status of senior representation in mind when recruiting, interviewing, and appointing new CBC members.

COMMUNITY ENGAGEMENT

Community members raised concerns regarding the City’s attention to senior issues with the City Council and City staff following changes to the City’s senior services in late 2024. This engagement revealed a need to enhance the way senior interests and voices are included in the City Council’s decision-making process. In December 2024, Council Member John Hines proposed enhancing senior participation and inclusion in the City’s CBCs during a “Senior Summit” and received positive feedback from the community for this approach. The City’s Age Friendly Action Plan, developed in 2021 with an advisory group of local experts and partners, also recommended that Tacoma take steps to highlight the needs of older residents and develop a more robust system of support for them.⁵

2025 STRATEGIC PRIORITIES

Equity and Accessibility: Community members have expressed a strong desire to ensure that our aging population has a voice in discussions about the City’s work and policies. By striving to include at least one older community member when possible, our CBCs would reflect the diversity of our community and be better suited to navigate issues across the age spectrum. This will in turn help enable our CBCs to provide helpful and responsive input and expand the ability of our community members to have an impact on public institutions. Advancing this resolution will also help to ensure that Tacoma remains a city where all individuals, at every stage of life, feel connected and supported.

Civic Engagement: *Equity Index Score:* Moderate Opportunity

Increase the percentage of residents who believe they are able to have a positive impact on the community and express trust in the public institutions in Tacoma.

Increase the number of residents who participate civically through volunteering and voting.

Elected officials, boards, commissions, and volunteer leadership will reflect the diversity of the Tacoma community.

Livability: *Equity Index Score:* Moderate Opportunity

Increase positive public perception of safety and overall quality of life.

ALTERNATIVES

Alternative	Positive Impacts	Negative Impacts
Take no action.	Council maintains the ability to appoint individuals over the age of 65 to CBCs.	Council may prioritize issues other than age when appointing CBC members, potentially limiting the inclusion of senior voices in CBC discussions.

⁵ [Tacoma Age Friendly Action Plan-v2Final.pdf](#)

Require a senior seat on each CBC.	Each CBC may include the perspective and input of an individual over the age of 65.	Council would need to enact a variety of resolutions, ordinances, and City Charter amendments to require a senior seat on all CBCs due to their divergent origins, which would create delays in action. Such a requirement may also lead to prolonged vacancies on some CBCs, as well as upend other preferred size and membership requirements.
------------------------------------	---	--

EVALUATION AND FOLLOW UP

The City Manager would provide information on at least a quarterly basis to the City Council about the status of the inclusion of residents who are at least 65 years old on CBCs.

SPONSOR RECOMMENDATION

Sponsors recommend adopting this resolution.

FISCAL IMPACT

There is no fiscal impact from this resolution beyond minimal staff time to compile a list of all CBC members above the age of 65. City staff already collect information regarding age on the CBC application form.

What Funding is being used to support the expense?

N/A

Are the expenditures and revenues planned and budgeted in this biennium’s current budget?

N/A

Are there financial costs or other impacts of not implementing the legislation?

NO

Will the legislation have an ongoing/recurring fiscal impact?

NO

Will the legislation change the City’s FTE/personnel counts?

NO

MEMORANDUM

TO: Elizabeth A. Pauli, City Manager
FROM: Anna Le, Management Fellow
COPY: City Council; City Clerk; Vicky McLaurin, Systems and Strategy Division Manager; Katie Johnston, Interim Director, Neighborhood and Community Services
DATE: February 24, 2025
SUBJECT: January 2025 Neighborhood Council Liaison Report

SUMMARY:

The purpose of this memo is to provide a summary of topics and concerns discussed at the eight Neighborhood Councils and the Community Council of Tacoma during the month of January 2025. These items have been identified by the City Manager's Office liaison to each council as important or useful to bring to the City Council and City Manager's attention.

Questions regarding the Neighborhood Councils can be directed to the Program Coordinator at NeighborhoodCouncils@cityoftacoma.org.

TOPICS AND CONCERNS:

Central Tacoma Neighborhood Council

The Central Neighborhood Council held a brief meeting on January 2nd, 2025. Four out of five Board members and one community member attended this meeting. The Board shared information and the program coordinator's contact information when a community member asked a question about Safe Streets. The City's Executive Liaison relayed a question about Streets Initiative II to the Public Works Director after the meeting.

The Board read and adopted the treasurer's report and elected new officers for 2025.

Community Council of Tacoma

Approximately 15 community members and Councilmember Sadalge attended the Community Council of Tacoma's January 22nd, 2025, meeting. Councilmember Sadalge followed up on a previous request about the Neighborhood Council program's Standards and Guidelines as they pertain to the Community Council of Tacoma. Specifically, he provided context explaining why the word, "advisory" is not used. Councilmember Sadalge informed the Community Council that the body is its own entity with funding separate from the other Neighborhood Councils. The original intent of the code established the Community Council's primary role, which is to support the City's Neighborhood Councils.

Jennifer Clarke and Ashley Young delivered a presentation on the City's insurance requirements and shared their contact information to make themselves available for further questions.

East Side Neighborhood Council

Approximately eight residents attended the East Side Neighborhood Council's virtual meeting on January 21st, 2025. Community members shared their excitement for the Maritime Skills Center groundbreaking, appreciation for traffic-calming measures, and gratitude for the library system deicing sidewalks. Attendees made two requests of Executive Liaison Ramiro Chavez:

the first was a request to restripe crosswalks and the second was for assistance addressing a tree impeding access to an ADA ramp.

Liaisons from the City Manager's Office, Tacoma Public Schools, Port of Tacoma, and Public Works delivered reports.

New Tacoma Neighborhood Council

The New Tacoma Neighborhood Council held a hybrid meeting on January 8th, 2025. Councilmember Rumbaugh attended this meeting. Liaisons from the Tacoma Fire Department, Tacoma Public Utilities, Metro Parks Tacoma, Tacoma Public Library, the City Manager's office, and the Port of Tacoma delivered reports.

Attendees asked the City Manager's Office liaison questions about changes to the Neighborhood Clean Up program resulting from its relocation from Neighborhood and Community Services to Environmental Services, the new City website and how information is being retained, the Tacoma Dome Link Extension, and traffic safety during special events.

Attendees were excited about and discussed the Downtown Library re-opening.

North End Neighborhood Council

The North End Neighborhood Council met on January 6th, 2025. There were approximately 20 attendees. Councilmembers Hines and Rumbaugh also attended. City Budget Officer Reid Bennion delivered a presentation on the biennial budget. The Tacoma Parks liaison also updated meeting attendees.

Northeast Tacoma Neighborhood Council

The Northeast Tacoma Neighborhood Council met virtually on January 16th, 2025. Approximately 13 residents attended this meeting. Councilmember Rumbaugh delivered an update and fielded questions about the Streets Initiative and improvements to Norpoint Way and Browns Point Boulevard. There was a question about code updates to the neighborhood council program and Councilmember Rumbaugh said she would follow up with the latest draft code language.

Liaisons from the City Manager's Office, Parks Tacoma, Tacoma Police Department, Tacoma Fire Department, Tacoma Schools, Tacoma Library, and the Port of Tacoma delivered reports. The Tacoma Schools liaison answered questions about the District's graduation statistics and funding for career counselors.

South End Neighborhood Council

There were approximately 15 attendees at the South End Neighborhood Council's January 6th, 2025, meeting. Councilmembers Bushnell and Sadalge also attended. The meeting primarily focused on developing the Council's 2025 agenda, including liaison reports, executive elections, and a discussion of potential topics. Members discussed the Council's upcoming events and website.

Liaisons from the City Manager's Office, Neighborhood and Community Services, and Police Department delivered reports.

MEMORANDUM

South Tacoma Neighborhood Council

The South Tacoma Neighborhood Council did not meet in January 2025.

West End Neighborhood Council

Approximately 20 residents attended the West End Neighborhood Council's January 8th, 2025, meeting. Councilmember Hines also attended. Neighborhood and Community Services Director Allyson Griffith delivered a presentation about how the City serves our homeless community members. Consequently, the majority of the meeting was focused on the topic. Attendees asked and Director Griffith answered questions about City services targeting homelessness and the types of strategies and efforts the City is not allowed to provide.

Liaisons from the City Manager's Office and Police Department delivered reports.

ONE TACOMA

Shared Vision, Shared Future.

Attend the Planning Commission Public Hearing to share your thoughts for Tacoma's future.

What: Comprehensive Plan Public Hearing

When: March 5, 2025, 6 PM

Where: In person: City Council Chambers, 747 Market St.

*** Land Use Public Meetings meet on an as-needed basis. Contact the Division Manager Shirley Schultz at 253-345-0879 to confirm whether a meeting will be held this week.

**CITY OF TACOMA, WASHINGTON
OFFICE OF THE CITY COUNCIL
COUNCIL CONSIDERATION REQUEST**

TO: Tacoma City Council
FROM: Mayor Victoria Woodards and Chief Policy Analyst Bucoda Warren
COPIES TO: Elizabeth Pauli, City Manager; Chris Bacha, City Attorney
SUBJECT: A resolution declaring support for good, quality jobs in Tacoma and prioritizing good, quality jobs in workforce development; defining good, quality jobs and establishing Tacoma Good Jobs Principles; and directing the City Manager to incorporate these principles into economic development and city strategic plans and prioritize good jobs in evaluation criteria when appropriate. - Requested for April 8, 2025.
DATE: February 26, 2025

I ask for your support for a resolution declaring support for good, quality jobs in Tacoma and prioritizing good, quality jobs in workforce development; defining Good, quality jobs and establishing Tacoma Good Jobs Principles; and directing the City Manager to incorporate these principles into economic development and city strategic plans and prioritize good jobs in evaluation criteria when appropriate.

LEGISLATIVE INTENT:

Resolution/Ordinance Request:

The purpose of this legislation is to redefine job creation in Tacoma by recognizing and supporting employers who go beyond the minimum to provide meaningful, high-quality jobs for residents. By adopting the Tacoma Good Jobs Principles, we establish clear standards for what constitutes a good job and lay the groundwork for future policies that prioritize these jobs in city programs or link them to incentives for private organizations committed to equitable and sustainable employment practices.

Good jobs are the foundation of an equitable economy that lifts up workers and families and makes businesses more competitive globally. They allow everyone to share in the prosperity of our community and help Tacoma thrive. Workers know the value of a good job that provides stability and security for them and their families. All work is important and deserving of dignity. Many companies recognize that providing good quality jobs – that make them an employer of choice – creates a clear competitive advantage when it comes to recruitment, retention, and execution of a company’s mission.

Building on the Department of Labor’s eight good jobs principles, Tacoma has created its own framework that advances good jobs for residents across Tacoma, especially workers from historically excluded populations, to build a safe, welcoming, and thriving community for all. Companies who create jobs that meet these principles are recognized for going beyond just giving the bare minimum for a job but providing good quality jobs in our community.

The eight principles that will define a good job in Tacoma will include:

CITY OF TACOMA, WASHINGTON OFFICE OF THE CITY COUNCIL COUNCIL CONSIDERATION REQUEST

1. Equitable Access and Representative Workforce
2. Empowerment and Representation
3. Transparent and Equitable Recruitment and Hiring Practices
4. Job Security and Flexible Working Conditions
5. Comprehensive Benefits
6. Organizational Culture
7. Self-Sufficient Wages
8. Career Training and Advancement Opportunities

This work evolved from the Mayor's Office participation in the Good Jobs, Great Cities initiative in 2023 and 2024. This initiative was a partnership between the National League of Cities and the U.S. Department of Labor aimed at spurring innovative and scalable city-supported solutions that upskill and reskill workers into quality, high-demand jobs in infrastructure, clean energy, and advanced manufacturing jobs. The intention by establishing these principles to support the advancement of good, quality jobs in Tacoma and set the foundation for future enhancements for workers in Tacoma. This legislation will also direct the City Manager to incorporate these principles into economic development and city strategic plans and prioritize good jobs in evaluation criteria when appropriate. Such evaluation may include property and programs in which the city owns or pays for services, and can prioritize businesses and organizations that provide jobs that include at least four of the eight principles that make a good, quality job.

DESIRED RESOLUTION DATE: April 8, 2025

COMMUNITY ENGAGEMENT/ (CUSTOMER RESEARCH):

The Mayor's Office has engaged with leaders across the workforce community from the workforce development board, economic development staff, labor partners, community colleges, and private employers. These leaders provided feedback and guidance on what definitions they have already been using, and how to best position these definitions for widespread support with various organizations and employers.

2025 STRATEGIC PRIORITIES:

Equity and Accessibility:

This legislation supports equity and accessibility by ensuring that job creation in Tacoma prioritizes fair wages, stable employment, and inclusive opportunities for all residents, particularly those from historically marginalized communities. By defining and promoting good, quality jobs, the policy encourages employers to provide livable wages, benefits, career growth opportunities, and safe working conditions, helping to close wage gaps and reduce employment disparities.

Additionally, by laying the groundwork for linking these job standards to city programs and potential incentives, the legislation creates a pathway for underrepresented groups, such as women, people of color, and individuals with disabilities, to access meaningful employment. This approach fosters a more inclusive economy where all workers have the opportunity to thrive, not just survive.

Economy/Workforce: *Equity Index Score: Moderate Opportunity*

Increase the number of diverse livable wage jobs.

Increase the number of Tacoma households that have livable wage jobs within proximity to the city.

Livability: Equity Index Score: Moderate Opportunity

Decrease the percentage of individuals who are spending more than 45% of income on housing and transportation costs.

Explain how your legislation will affect the selected indicator(s)?

By supporting and defining good, quality jobs and laying the foundation for future efforts this legislation helps to support creation of more livable wage jobs in Tacoma. By pushing for more meaningful employment, we are creating better pathways to wealth development and decreasing the burden on residents paying for housing and transportation.

ALTERNATIVES:

Alternative	Positive Impacts	Negative Impacts
1.Do not pass resolution	NA	No definition between job creation and good job creation; lack of support for good, quality jobs and those principles
2.Pass resolution	Sets foundation for future actions and clarifies the job principles that Tacoma prioritizes in job creation.	NA

EVALUATIONS AND FOLLOW UP:

Following adoption of the Tacoma Good Jobs Principles staff will be working with partners on the Tacoma-Pierce County Workforce Development Board to share these principles and explore ways for Workforce Central to incorporate good jobs into how jobs are tracked and reported in workforce development and job creation. Partnership and engagement with Workforce Central and Pierce County will also aim to share principles more broadly to support good, quality jobs county-wide.

SPONSOR RECOMMENDATION:

We recommend the adoption of this resolution to establish the Tacoma Good Jobs Principles and declare our support for good, quality jobs in Tacoma.

FISCAL IMPACT:

There is no fiscal impact to the City of Tacoma in passing this resolution.
