Update on Systems Transformation

City of Tacoma | City Manager’s Office

City Council Meeting

4/12/2022
Environmental Services
Departmental Highlight

Mike Slevin, Environmental Services Director
Lewis Griffith, Solid Waste Management Division Manager
• **Context:** According to the 2019 US Census Bureau American Community Survey, 18.1% of the City of Tacoma’s residential community speaks a language other than English at home.

• **Actions:**
  - Recycle Ambassadors trainings delivered to Spanish, English, Russian, and Asian/Pacific Islander language-speaking groups in their preferred language, engaging with 139 single-family and multifamily residential participants.
  - Food/Yard Waste Ambassador training developed to be rolled out in 2022.
  - Pilot with focus on Multi-family recycling to provide support and communication resources for residents and property managers.
Transformation Highlight

- **Transcreation**, or creative translation, uses multicultural market research, localized language and design to transform materials into another language. Some examples of specific changes:

1. **Quad layout with less material types**
2. **Culturally relevant material types**
3. **Key messages**
Recycle Reset education: multi-cultural, multi-lingual Community Ambassador program

• Uses Equity as a guiding principle and leverages word-of-mouth as an amplification strategy, engaging with communities of color and nonnative English speaking communities

• Based on the Community Health Worker promotora de salud (health promotors) model that is effective in spreading health information to specific communities

• Community Ambassador trainings are designed and implemented in partnership with community leaders and organizations

• The Community Ambassadors acquire knowledge, skills and professional experiences and inform members of their own community on the values of recycling, composting, and waste reduction

Workforce Reflects the Community

Employee Racial / Ethnic Diversity
EOY 2021
Environmental Services Only

- White: 55.1%
- Black / African Am: 10.0%
- Two or More: 9.2%
- Asian: 9.1%
- Hispanic/Latino: 13.3%
- Native HI / Pac Isl.: 3.2%
- Am Ind or AK Native: 1.9%
- Other: 1.2%

Benchmark: City of Tacoma
ES Equity Team – Recruitment and Retention Subcommittees

• Hiring Managers work with Equity hiring representative on all recruitments
• ES Equity Team Recruitment subcommittee formed in 2020 to develop strategies for reaching more diverse applicant pools in the recruitment process.
• Examples:
  • O&M expanded Operator in Training (OIT) program by two positions to provide additional opportunities for residents to enter the profession of water quality.
  • SWM and TAGRO working on Driver Trainee position for 2023-24
  • OEPS High School Summer EnviroChallenger ES Certificate Training focuses on underrepresented youth; EnviroChallenger coordinates Next Move interns at ES.
Purposeful Outreach and Engagement

Developing an Equitable Engagement Framework

- ES team formed to develop draft Equitable Engagement Framework
- MCO initiated adaptation of ES plan to develop a Citywide Equitable Engagement Framework

5 step framework draft:
1. What level of engagement should we use?
2. Who should we engage?
3. How should we engage?
4. How will we measure successful engagement?
5. How will we build for the long-term?
ES Strategic Plan – Equity Toolkit for Evaluating Programs and Services

- **Watershed Plan**: Toolkit process helped guide community engagement process for plan development, including multilingual flyers and translation services offered at community workshops; GIS Tool includes Equity Index layer for ranking priority areas for stormwater solutions in low opportunity neighborhoods.

- **Tree Coupons**: Identified strategies to increase participation in communities of low opportunity. The City’s Grit City Trees program provides free trees, prioritizing underserved neighborhoods, to directly address Tacoma’s environmental justice inequities. Hazardous Tree Assistance program pilot is also starting in 2022.
• MCO working on Citywide Equitable Outreach and Engagement Framework in 2022
• SWM and TAGRO plan to implement Driver Trainee program in 2023
• Stormwater Comprehensive Plan (2023-24) will be informed by the Watershed Plan equity priorities to identify opportunities for infrastructure improvements in underserved neighborhoods
• SWM continuing Transcreation of Recycling, Food/Yard Waste, and other resources into 5 languages
City Manager Update
Recent Accomplishments

• Cross-functional teams evaluated 516 programs for influence on anti-racism and equity in preparation for 23-24 budget process.

• Added Equal Employment Opportunity Investigator to increase support for addressing employee complaints – 4/11

• Resolution authorizing the establishment of an Equity in Contracting Advisory Committee to monitor compliance of the Equity in Contracting program as codified in TMC 1.07 – 4/12
