Shooting Investigation

Tacoma, Wash. –On June 26, at 12:45 a.m., South Sound 911 received multiple reports of shots fired heard in the 5400 block of South Tacoma Way along with cars fleeing the area. Officers arrived to find a chaotic scene with a large crowd and multiple shooting victims.

Life-saving measures were immediately started for the victims still on scene.

Eight victims were taken to three different hospitals by ambulance and private vehicles. All are in stable condition.

This incident appears to have started with a large crowd that was attending a music event hosted by a private venue. An argument broke out in the alley behind the location and shots were fired.

Detectives and crime scene technicians have responded.

The investigation is ongoing.
