The answers to the questions received are provided below and posted to the City's website at [www.TacomaPurchasing.org](http://www.TacomaPurchasing.org). This information IS NOT considered an addendum. Respondents should consider this information when submitting their proposals.

**Question 1:** The best drawings in the bid package say "60% Design Submittal" on them. While there is also a handful of photos, as-builts, etc. it doesn't seem like we have enough information to put together a proposal for this project. A majority of the roadway bid items are not to be found anywhere on a plan set. Please let me know if there are any drawings/plans that we are missing or otherwise clarify how we should bid on this project.

Answer 1: See Addendum No. 1.
