Unit 31 and 32 Pressure Regulating Valve Refurbishment RFP Specification No. PG24-0161F

All interested parties had the opportunity to submit questions in writing by email to Ryan Foster, Senior Buyer by date questions were due. The answers to the questions received are provided below and posted to the City's website at www.TacomaPurchasing.org. Navigate to [Current Contracting Opportunities / Services Solicitations](#), and then click *Questions and Answers* for this Specification. This information IS NOT considered an addendum. Respondents should consider this information when submitting their proposals.

- 1. Question: We need more time to evaluate the scope in order to submit an offer. Will the City please grant an additional eight weeks to submit our bid, so we can be assured of providing a well-considered and cost-effective proposal for the City?**

Answer: In order to minimize risk to Tacoma Power, it has been decided to deny the extension and to stand by the submittal due date that we published in the specification - January 14, 2025
