Court Clerks unit

PARTIES TO THE AGREEMENT & PREAMBLE

This Agreement is entered into by the Tacoma Municipal Court, hereinafter referred to as the "Court"; the City of Tacoma, hereinafter referred to as the "City"; and the Local 483, International Brotherhood of Electrical Workers, hereinafter referred to as the "Union," for the purpose of establishing all working conditions.

The parties to this agreement recognize that the Washington State Constitution, Article 4, Section 1 vests the judicial power of the state in a separate branch of government - the Judiciary. And further, the parties recognize that the Supreme Court of the State of Washington retains the power to regulate all court related functions, including administrative and personnel matters.

The Court and the City recognize the Union as the exclusive bargaining representative of all the Tacoma Municipal Court Clerks for the purpose of collective bargaining under this Agreement.

The Union and the Court recognize that the City shall be the exclusive bargaining agent for working conditions directly related to wage and wage-related benefits.

The Union and the City recognize that the Court shall be the exclusive bargaining agent for the purpose of establishing all working conditions, except for wage and wage-related benefits.

The Court and the Union have a common and sympathetic interest in municipal court services. Therefore, a working system and harmonious relations are essential to the relationship between the Court, the City, the Union and the public. All will benefit by continuous peace and by adjusting any differences by rational common sense methods. To these ends this Agreement is made.

Neither the Court nor the City shall be required to take any action under this Agreement which is in violation of federal, or state law, or the ordinances of the City of Tacoma.

The Union agrees that its members, who are employees of the Court and the City, will individually and collectively perform efficient work and service, and that they will avoid and discourage waste of materials, time and manpower, and that they will use their influence and best efforts to protect the property of the Court and the City and their interests and to prevent loss of tools and materials, and that they will cooperate with the Court and the City in promoting and advancing the welfare of the Court and the City and the services provided at all times.

Article 1 - TERM OF AGREEMENT

Section 1.1 This Agreement shall remain in full force and effect from January 1, 2022 to and including December 31, 2025. If any party desires to terminate the Agreement on the anniversary date of December 31, 2025, written notice of such intent must be given to the other parties one hundred and twenty (120) days in advance of that date. Further, it is provided that this Agreement shall be subject to such change and modification during its term as may be mutually agreed by the parties hereto.

Section 1.2 Agreements reached between the parties shall become effective only when signed by an authorized representative of the Court and ratified by a majority of the Tacoma Municipal Court Judges; when signed by an authorized representative of the City and ratified by a majority of the Tacoma City Council; and when signed by an authorized representative of the Union.

Section 1.3 Only those Letters of Understanding or Agreement which are signed by the Union Business Manager or authorized representative, Presiding Judge, Labor Relations representative, and Human Resources Director shall be considered in force and subject to the provisions of the Agreement.

Article 2 - UNION RECOGNITION

Section 2.1 The Union shall be the exclusive bargaining agent in all matters of wages, hours and employment conditions in the application of the Agreement to employees in the classifications of Court Clerk (Job Code 43210) and Court Financial Clerk (Job Code 43240). Should these classifications be reclassified or re-titled without the addition of significant new or different duties, the Union shall continue to be recognized for these classifications. Should new classifications be created, the Court and the City shall recognize the Union for those classifications, if such classifications perform a substantial portion of work presently performed by classifications listed in this Agreement. However, if another bargaining representative requests recognition for such a new classification, recognition procedures set forth in Chapter 41.56 RCW shall apply.

Section 2.2 The City will inform new bargaining unit employees of the Union's exclusive representation status. The City will provide union access to new employees entering the bargaining unit within ninety (90) days of hire. The City will allow the Union thirty (30) minutes to meet with such individuals during work hours and at their usual worksite or a mutually agreed upon location. During such meetings, an employee designated by the Union will be permitted, for up to thirty (30) minutes and without loss of regular straight-time pay, to meet with new represented employee(s). The Employer shall incur no costs for travel time or mileage, nor shall the Union use City vehicles or resources in the conduct of this union business.

Section 2.3 Deductions. The City agrees to deduct from the pay of each employee, who has so authorized it, the Union initiation fees, monthly dues, and assessments as certified by the secretary of the Union. The City will rely on information provided by the Union regarding the authorization and revocation of deductions, and the Union will provide such information to an email address provided by the City. Upon receiving notice of the employee's authorization from the Union, the City will deduct from the employee's pay membership dues and remit the same to the Union no later than the second payroll cycle following receipt of the authorization. The amounts deducted shall be remitted monthly by the City to the Union on behalf of the employees identified by the Union as authorizing deduction(s). The Union shall provide the City

with at least one full pay period notice of any change in the amount of Union initiation fees, monthly dues, and assessments. The Union agrees to refund to the City any amounts paid to it in error on account of the provisions of this Section upon presentation of proper evidence thereof. There shall be no retroactive deduction of Union initiation fees, monthly dues, or assessments.

Upon receipt of an employee request for authorization of payroll deduction of Union initiation fees, monthly dues, or assessments, the City will forward the request to the Union electronically within two weeks. The City will take no action upon receiving an employee request until receiving confirmation from the Union to begin deductions.

The employee's authorization will remain in effect until expressly revoked by the employee by written notice to the Union in accordance with the terms and conditions of the authorization. The cancellation will become effective no later than the second payroll cycle after receipt of the confirmation from the Union that the employee has revoked authorization for deduction.

Section 2.4 The City will furnish to the Union a roster and pay status of current bargaining unit employees. It is understood that this tabulation will be used by the Union for the sole purpose of compiling the Union dues formula and that the Union will not divulge any information from the subject tabulation to any other person or agency.

Section 2.5 The City recognizes and will not interfere with the right of their employees to become members of the union and agrees there shall be no discrimination, interference, restraint or coercion by the City against any employee because of their membership in the union.

Section 2.6 The City agrees to use reasonable efforts to notify the Union prior to releasing any requested information when the City receives a Public Disclosure Request specifically asking for the name, date of birth, membership status, duty station/location, address, or work email address of all of the members of the Union's bargaining unit. The Union agrees to use reasonable efforts to notify the City prior to filing any court action to prevent the City from releasing information under such a request. The parties' obligations under this section are not subject to grievance.

Section 2.7 – Defense and Indemnification of the Court and the City The Union further agrees that it will indemnify, defend and hold the Court and the City harmless from all suits, actions, proceedings or claims against the Court and/or City or persons acting on behalf of the Court and/or City, whether for damages, compensation, reinstatement or any combination thereof, arising out of application of this Article. In the event any decision is rendered by the highest court having jurisdiction that any portion of this Article is invalid and/or that reimbursements must be made to any employee(s) affected, the Union shall be solely responsible for such reimbursements.

Section 2.8 – Leave for Business Manager/Representative The Presiding Judge, will approve granting of leave of absence without pay for the period covered by this Agreement without loss of continued accrual of aggregate City service or tenure status for all purposes, to no more than one (1) employee of the City who is a member of the Union, and whom the Union may desire to have act as its Business Manager to be locally engaged in the business of the Union.

Section 2.9 – Business Representative Visit The Business Manager or Business Representative of the Union may, after notifying the Court Administrator or designee, visit the work location of the employees covered by this Agreement for the purpose of investigating conditions on the job. There shall not be any interference with the duties of employees or the operations of the Court or City. Any Business Representative visiting the worksite will have an employee escort; such escort shall be designated by the Court Administrator or their designee.

Section 2.10 – Bargaining Unit Jurisdiction The members covered by this Agreement shall not be required to perform more than incidental work which properly comes under the jurisdiction of another bargaining unit and/or classification, unless properly compensated for such temporary work assignment.

Section 2.11 – Union Bulletin Board The Union shall provide a bulletin board for its exclusive use and shall be allowed to place such in a common work location of the bargaining unit. Notices and announcements shall not contain anything political or reflecting adversely upon the Court, City, any of its employees, or any labor organizations among its employees.

Article 3 – SHOP STEWARDS

Section 3.1 The Union shall have the right to appoint one Shop Steward and one alternate. The Court and City Human Resources Department shall be furnished with the names of the Steward and the alternate so appointed.

Section 3.2 Stewards shall be allowed limited time away from their work stations during regular hours of work without loss of pay when attending meetings with the Court and/or City or when investigating grievances or complaints provided that this time does not interfere with the productivity and efficiency of services to the public.

Section 3.3 The Steward shall not leave their assigned work station without having received prior approval from the Court Administrator, or their designee. Such approval shall not be unreasonably withheld. The Steward shall give the supervisor an estimate of the time needed. If the time needed would require extended time away from work time then it may be more appropriate for a paid Union official to be involved.

Article 4 – MANAGEMENT RIGHTS

Section 8.5 It is anticipated that meetings will be scheduled during the court recess and will not exceed one hour.

Article 9 – GRIEVANCE PROCESS

Section 9.1 It is the goal of the Court, the City and the Union to settle problems at the lowest possible level, in the least amount of time and in a cooperative and objective manner. The grievance must be reduced to writing and set forth the name of the Grievant, the facts, the specific section(s) of the Agreement which were allegedly violated and the specific remedy requested.

Section 9.2 The parties agree that the time limitations provided are essential to the prompt and orderly resolution of any grievance, and that each will abide by the time and limitations, unless waived or extended by mutual agreement of the parties to the grievance.

The Presiding Judge shall meet with the Union Business Manager and/or the Union Representative and a representative of the City's Human Resources Department and/or the Labor Relations Office. The Presiding Judge shall, within ten (10) working days of this meeting, render a decision in writing to the employee and Union. Such decision shall be final and binding.

Section 9.4 Time limitations in this Article may be adjusted by mutual agreement in writing between the Union, the Court and/or the City. Failure by the non-grieving party to comply with any of the time limitations as provided in this Article shall constitute a right of the grieving party to proceed to the next step without waiting.

Section 9.5 Failure by the Union to pursue a grievance to the next step of the grievance procedure results in the last response being the final and binding conclusion of the grievance.

Article 10 – DISCIPLINE AND LAYOFF

No disciplinary document may be placed in the personnel file(s) without the employee having first been notified of said document and given a copy. The employee shall be required to sign a written reprimand or other disciplinary action acknowledging that they have read the contents of the document. An employee who disagrees with the content of any letter of reprimand added to the personnel file(s) shall have the opportunity to place a rebuttal statement in the personnel file(s).

A suspension or dismissal may be processed under the grievance procedure of the Agreement.

Section 10.2 – Layoff The Court may lay off employees due to budget restrictions. When the Court determines it is necessary for employee layoffs, the employees will be laid off based upon ability and qualifications to perform the job duties of Court Clerk. The Court shall consider work performance, experience, and skill.

When the above factors are equal, employees with the most recent date of hire will be laid off first.

Article 11 – STRIKES and LOCKOUTS

Part-time employees working thirty (30) or more hours per week will make contributions equal to those of full time employees. For all other purposes or benefit calculations, the City's definitions and policies regarding part-time employment will govern.

6.4 Dual Coverage. No City employee or eligible dependent may be insured under more than one City medical, dental, or vision insurance plan. Employees whose spouses/domestic partners/children up to age 26 are eligible for medical insurance benefits through the City will share the costs of insurance as follows:

- 6.4.1 Employees Choosing the Same Plan – One spouse/domestic partner will be placed on the other's medical, dental, or vision insurance, and the primary spouse/domestic partner will pay the appropriate premium cost for family coverage.
- 6.4.2 Employees Choosing Different Plans – If spouses/domestic partners elect coverage under different plans, they may not provide coverage to their spouse/domestic partner on their medical, dental, or vision insurance plan. Each employee will pay the appropriate cost share (individual or family) depending on whether they include children on their plan.

6.4.3. Children up to Age 26 – Benefit-eligible employees whose parents are City employees must elect coverage in their name (paying the applicable premium contribution) or coverage as a dependent on their parent’s plan (with no premium contribution), but may not receive coverage under two medical, dental or vision insurance plans.

- 6.11 Longevity pay may be provided to employees of member unions pursuant to the terms of Ordinance 20938, which reads in part as follows:
 - 6.11.1 Regular, probationary, and appointive employees who through union agreement have elected the option of longevity pay shall receive additional compensation based on a percentage of their base rate of pay received for the class in which they are currently being paid. To be eligible for these floating holidays, employees must have been or scheduled to be continuously employed by the City for four (4) months as a full-time or part-time regular, probationary, or appointive employee during the calendar year of entitlement. - 6.12.3 Full time employees working alternate schedules who are normally scheduled to work more than eight (8) hours on a day observed as a holiday may use vacation leave, personal time off, compensatory time, or leave without pay at the employee's option to make up the difference between the employee's normally scheduled shift and the eight (8) hours of holiday pay.
- 6.12.4 Unpaid Holidays.
